## General

While visiting a River Electronics, LLC. ("River Electronics") site, we may ask you to register and/or provide information that personally identifies you ("Personal Information") for purposes of interacting with our site, including, for example, when you ask for information, enter a contest, order subscriptions, or download material. River Electronics intends to give you as much control as possible over your Personal Information. If you choose to provide River Electronics with your Personal Information via a River Electronics owned site, it is our intent to let you know how we will use your Personal Information. River Electronics uses your Personal Information to help you quickly find goods, services or information on the site. We track the domains from which this site is visited and use that data to analyze for trends and statistics, and then discard it. If you choose not to have your Personal Information used as a basis for further contact with you by River Electronics or one of its business partners, you may "opt out." If you choose not to give us your Personal Information, you can still use most of this site. You merely will not be able to access areas that require registration. Additionally, if you do not want River Electronics to send you e-mail or postal mail regarding River Electronics or its services, you may "opt out" at the time you give us your Personal Information.

---

## Links to Other Materials

If any link is offered connecting to a third party website, it is as an accommodation to the respective third party site owner and without charge. Sites linked to and from this site are not necessarily under the control of River Electronics and River Electronics shall have no responsibilities or liabilities whatsoever for the content or privacy practices of any such linked site or any link or linking program at any time. River Electronics does not necessarily endorse companies (or related products or services) to or from which this site is linked. If you decide to access any of the third party sites linked to this site, you do so entirely at your own risk. River Electronics hereby disclaims any rights to trademarks, service marks, tradenames, logos, copyrights, patents, domain names or other intellectual property interests of third parties.

---

## "Cookies"

There is a technology called "cookies" which can be used to provide you with tailored information from a website. A cookie is an element of data that a website can send to your browser, which may then store it on your system. Some River Electronics pages may use cookies so that we may better serve you when you return to our site. You can set your browser to notify you when you receive a cookie, giving you the chance to decide whether to accept it.

---

## Site Technologies

River Electronics does not provide the technologies used to build its site, and therefore neither recommends nor endorses the same. Any information regarding identified technologies, their capabilities, limitations, applications, etc., should be sought directly from their manufacturers. River Electronics hereby disclaims any

rights to trademarks, service marks, tradenames, logos, copyrights, patents, domain names or other intellectual property interests of third parties.

## **Safe Harbor Principles**

River Electronics complies with the U.S.-EU Safe Harbor Framework and the U.S.-Swiss Safe Harbor Framework as set forth by the U.S. Department of Commerce regarding the collection, use, and retention of personal information from European Union member countries and Switzerland. River Electronics has certified that it adheres to the Safe Harbor Privacy Principles of notice, choice, onward transfer, security, data integrity, access, and enforcement. To learn more about the Safe Harbor program, and to view River Electronics' certification, please visit <http://www.export.gov/safeharbor/>.
